Subject: For David Review - Methylmercury FRN
Attachments: FRN Methylmercury IAP 02.2019F.DOCX; MeHg FRN approval form.pdf; MeHg IAP_ICF_3_4_clean.docx

Hi David – Please find attached for your review, the FRN announcing the release of the methylmercury IRIS assessment plan (IAP) for public comment. I'm passing this to you directly since Fitz is out today.

Attachments here include:

- FRN
- Approval form – signed by both Chris and Bruce
- IRIS Assessment Plan for MeHg

Bruce, Lou, and Chris reviewed and cleared this already. The IOAA review is due March 11, so it would be great if you could complete your review by Thursday or Friday.

Thanks,
Megan
